LARGE PRINT LABELS

Large Print Labels

Do you have trouble reading prescription labels?

Now there's a solution!

How does it work?

The pharmacy will attach a booklet-style large print label to your prescription container. A 2D bar code is included, which can be scanned with a smart phone to access detailed drug data.

Can data be translated?

Yes! Prescription data can be translated into any one of 17 languages.

How do I get this service?

Talk with your pharmacist today! They can help you get started with ScriptView large print labels and translation.

What does cost?

There is no additional cost to you for this pharmacy service. This is a FREE program!
