IT TAKES ONE
to Make Medication Safer

Join the Medication Label Safety Awareness Campaign - October 2026

One patient needs access. One pharmacist makes the call. One solution rises above the rest. Be the one who takes action. Help raise awareness for medication label safety and make accessible prescription information the standard for every patient.

Weekly themes for your social media or newsletters:

Week 1: *It Takes One Patient*

Week 2: *It Takes One Pharmacist*

Week 3: *It Takes One Accessible Label*

Week 4: *One Life Saved*
